

HF Voice Monitor

- Accept Duty

- Maintain Communications Log - Winlink/Standard Templates/ICS USA Forms/ICS309
 - If you need to close your log at any time, please be sure to scroll to the bottom to choose Save. This allows you to save all entered data to your local computer. When you reopen the log, you can choose to 'Load...Data' near the top of the form and choose the appropriate file that you saved earlier.

- Monitor 3.955 LSB for voice traffic until relieved or reassigned.
 - Answer to & log any traffic directed at K7UNI on 3.955 voice only.
 - Monitor & respond to 2-meter local traffic as your own callsign only.
 - Pass any voice traffic from K7UNI to its HF destination as K7UNI.
 - Using your own callsign relay any traffic incoming or requiring response back to K7UNI over 2-meter through the Net on 146.52(primary) or SSRA 146.800 repeater(secondary)..

If run in to trouble, connect back to K7UNI/EOC over 2-meters

Primary - 146.520 Simplex

Secondary – 146.800 SSRA Repeater
